

# GUEST INFORMATION

## PCR TESTS | QUICK TESTS

In most cases, registrations for tests must be made via the provider's website. Please note that the number of requests is high and pharmacies or physicians have limited capacity for testing.

### Pharmacies

Registration mostly via website. Registration several days in advance necessary, as currently overcrowded.

- Amavita Apotheke Gallusmarkt, Favrestrasse 6, +41 (0)58 878 23 10, [www.amavita.ch](http://www.amavita.ch)
- Apotheke an der Langgasse, Langgasse 20, +41 (0)71 222 27 27, [www.apolanggasse.ch](http://www.apolanggasse.ch)

no tests on Wednesdays

### Polyclinics / Medical centers

- Polipraxis St.Gallen, Kornhaus 3, +41 (0)71 228 40 40, [www.polipraxis.ch](http://www.polipraxis.ch)
- Arzthaus St.Gallen AG, Zeughausstrasse 22, +41 (0)71 221 10 00, [www.arzthaus.ch](http://www.arzthaus.ch)

### Test Centers

- Hirslandenklinik Stephanshorn, [www.hirslanden.ch](http://www.hirslanden.ch)  
Registration only via the website. The clinic does not do quick tests and tests are only available after 72 hrs. They don't guarantee that test results will be available 72 hours later.

### Primary care physicians

You can get tested by doctors in the area. A complete list of physicians offering PCR tests or rapid tests is unfortunately not available.

- Praxis zur Rehburg AG, Rorschacherstrasse 15, +41 (0)71 243 20 30). Appointment by telephone.
